Assessment

- Currently runs sales for Hewlett Packard Enterprise as consultant, was recruited in by Procter & Gamble board member - Ryan does not want to join full-time
- Some former colleagues know people at Immersive - they speak highly of the company - he has read about company and thinks the approach is incredibly smart and timely
- Has a home in ew York that he rents - moved to boston a few years ago
- Currently working at Pfizer as consultant - joined on project basis and not thinking he wants to be there long term
